

Summer Uniform - Terms 1 & 4

All Primary Students

We have decided to offer alternatives to the McKinlays sandal currently available in the Uniform Room, please note however, that there is limited stock.

Students may also wear an Orthoheel sandal called Noosa which has extra support for growing feet. This is currently available at **Athletes Foot** but may be purchased at several retailers. This is an option for both boys and girls. There are a couple of versions on the market, the 'all black' version is the right option.

Boys may also choose a sandal by Rugged Shark, currently available through **Hannahs** shoe store.

Girls may also choose a sandal by **Keen** called Kids Harper School.

The only sandal available from the Uniform Room will be the McKinlays and parents who are happy with the sandal are more than welcome to continue to purchase from Pinehurst.

If you have purchased a different sandal because you have provided a podiatrist letter, your child is welcome to continue with that shoe although the expectation would be that from 2018 one of the options above is selected as this includes an orthotic style shoe.
