

## Winter Uniform - Terms 2 & 3

### All Primary Students

Students in Y0-Y3 will need shoes with velcro straps i.e. not lace ups as younger students typically need help to tie laces and this is time consuming for teachers as you can imagine. You are still quite welcome to purchase shoes from the Uniform shop of course. The shoes we have chosen have a range of prices but are all fairly similar, please note that students will not be able to wear branded shoes like Nike, Asics, New Balance as these do look very much like sports shoes and not school uniform.
