# Pinehurst School Bus Information.

Pinehurst School runs chartered bus services to **Greenhithe, Devonport, East Coast Bays, Northcote, Dairy Flat, Coatesville, Manly** and from **Matakana/Warkworth**. Pinehurst buses are chartered for students who attend Pinehurst School, and students are collected from the closest arranged collection point.

## BUS FEES

### **Term Passes**

A term pass costs \$250, \$500 or \$650 for a 10 week term depending on the destination. An AM or PM pass can be negotiated with Administration Office staff. After purchasing your first term's ticket, you will automatically be invoiced for each following term until the pass is returned. Students requesting a term pass will be issued with a permanent photo pass that will last indefinitely. Replacement passes for lost and damaged passes incur a \$5.00 fee.

### **10 Ride Ticket**

A 10 ride ticket costs \$50, \$100 or \$150 depending on the destination and can be purchased from the Administration Office.

### **Single Ticket**

Students who need to catch a bus once (i.e. a bus ride home with a friend) can purchase a single ticket. These can be purchased from the Administration Office for \$5.00. Single tickets can also be purchased for Warkworth (\$15) and Orewa (\$10).

## **TICKET INSPECTION**

Bus passes must be presented to the driver for inspection upon boarding the bus. If a pass is lost, or left at home, single ride tickets must be collected at the Administration Office before the student may travel. (Replacement passes cost \$5. A new 10 ride ticket must be purchased if it is lost.)

## **BUS AUDITS**

In the case of misplaced bus passes or tickets, the student will be requested to immediately arrange temporary documentation before boarding the bus. This can be organised at the administration office and ensures the student plays an active role in this process, taking responsibility for their travel. Pinehurst School appreciates that parents and caregivers ensure their children are equipped with the appropriate documentation if utilising our bus transport system. Buses will not depart until everyone travelling has a valid pass or ticket. Further information, including bus code of conduct, can be found on our school website, in the Pinehurst School Parent Handbook, on PINEnet or by contacting the teacher in charge on the details above.
