Pinehurst teams are required to make the following commitment:

- Players are expected to represent the team and the school in the correct manner at all times
- To attend all team practices and games; this must be a priority over the season. This includes during Mid-year and Mock examinations. Other commitments are to be organised around trainings and games
- If a player cannot make a practice through injury/illness or family circumstances, then they must ring the coach / manager and not pass messages through other players

It is important to note when registrations close, Pinehurst School then commits the players to the event/sport and therefore has to honour these fees. If you were to withdraw your child after the registration closing date and ask for a refund, this would mean other parents are effectively paying for this fee. To be fair on other parents, students and their families, Pinehurst School will under no circumstances, refund deposits or monies paid after the registration closing date.
