Pinehurst Sport Culture & Values

Sporting Culture at Pinehurst – we promote positive attitudes in all aspects of sport and all students are encouraged to be involved in at least one school sport, regardless of their ability.

Values at Pinehurst – we promote commitment and teamwork as our sporting values, which means that students are expected to attend all trainings and games. We want to grow team players who put their team mates first and have a “team-first” approach.

Registration Process

Outside of School Sports

- Registrations open at different times of the year, depending on when the sport/code commences.

Before registrations open for a Year 1-6 Pinehurst School Sport, we will:

- Email all parents and caregivers an information sheet with details about the sport (including registration fees/equipment required/days, times, and location of games and/or trainings etc).
- Within this information sheet, there will be a link to the school website to complete your child's registration.
- We will give out a day/time that the registrations will open for each sport.

Important Information:

- Some sports may have a limited number of registrations available. Therefore, entries will be accepted on a first-in-first serve basis. Once the maximum number of entries has been reached, you can register your child on the waitlist. If a space becomes available due to injury or illness, then we will notify the successful candidate on the waitlist.
- Most sports will have closing dates for registrations.
- Some sports will require a minimum number of registrations to go ahead.
- Acceptance of late registrations is at the discretion of the Sports Department, pending team/player numbers and league regulations.
- Trials may also be held for teams.

Please visit the [Sport Registration](#) page on our school website to become familiar with the sign up process.
