

Touch Years 7-8 (Term 4, 2023)

Registrations are now being taken for **Year 7-8 Touch** for Term 4.

'Touch' is a non-contact sport derived from rugby, in which players do not tackle each other but instead touch their opponents using their hands on any part of the body, clothing, or the ball. It is a great sport for students to learn fundamental ball skills (catch/pass) and teamwork in a safe and fun outdoor setting.
